In fact, the Tunnaline has all the Alterative Deobstruent and Cathartic properties of Calomel, without ever producing dapledsent or in-jurious effects under any circumstances, either from exposure to cold or wel; on the contrary, the Compound Tomato Pals are the hest semedy ever known to counternet the office, of Marcury, completely eradicating every particle of it from the system, and renovating the constitution broken down by its use; which it does by correcting the state of the blood, and through that, correcting the morbid secretions of the glands, and restoring them to a healthy and their own propognation. Its effects are analogous to Sarsaparity and Blood Root, and in its combined action in the juggedients composing the Pills, it exerts a unity sal action peculiar to itself.

The peculiar virtues of the Tomato Plant, have or a foug time attracted the attention of the Medion and the Public, and a lively interest has recedly been directed to the future developement of As active powers and its Antibilious and Alterative qualities; which the Proprietor is now happy in being able to gratify and presents his Pills to the Public, with the full confidence of their being the most safe and valuable remedy ever discovered adapted to all cases where nature is disturbed, and when any of the functions do not perform their natural or healthy action.

Numerous certificates of cures, from those who have taken their, and the testimony of several Physupon them, is an additional evidence of their merts and discfulness.
